Policy for Inactive Clients (Dormant Account)

Client status is observed on weekly basis & clients who have not traded during the last Three (3) years are marked "inactive" as "Dormant" in the backoffice & funds payable to the client and securities, if any, lying in the client margin account will be returned after deducting demat or any other charges due from the clients. The files uploaded on the trading servers on daily basis update the current status on the terminals. Whenever a client who is marked inactive as dormant intends to trade, the details of the client viz. Address, contact no., demat & bank account etc. will be confirmed & a written request for re-activation of the account will be taken before executing any trade in that particular client code. In case of any change, the updation form along with the supporting documents will be taken. In case of very old dormant a/c, the entire KYC Form will required to be taken along with the other supporting documents.
